SDS Membership

Southern Dental Snellville strives to help patients achieve the beautiful, healthy smile that they deserve.

Two main reasons we hear that people do not get dental needs addressed are *“I couldn’t come because I don’t have insurance,”* or *“It is too expensive without insurance”*.

We are proud to offer our SDS Membership that covers **100% of ALL preventative care** including routine cleanings, exams and x-rays.

Members also receive **20% off of ALL treatment** completed within 12 months of enrollment, including but not limited to fillings, crowns, implants, root canals and bleaching!
